

# AUSTRALIAN AND USA DAIRY INDUSTRY RECRUITERS PARTNER WORLDWIDE SERVICE TO CLIENTS

## KCO RESOURCE MANAGEMENT & COOSHEEN

*Update: Shamrock Food (Recruitment and Ingredients) found that the name Shamrock proved a little difficult to protect, they have now rebranded as Coosheen (which means "little inlet" in Irish).*

May 14th, 2012. Two of the select few recruiting agencies to have true dairy industry expertise have partnered together. KCO Resource Management of Clifton Park, NY, USA and Shamrock Food Recruitment of Melbourne, Australia announce their joint worldwide service coverage to the Dairy Processing Industry.

Both companies have the rare technical and strategic management level position understanding in everything from milk processing (organic, UHT, ESL) to, cultured (yogurt, cottage cheese, sour cream), ice cream, butter, and cheese (natural, processed). There is even sub specialization at certain levels from Greek style yogurt to novelty ice cream to ingredients and cultures. This understanding allows both companies to help fill all technical skilled based positions to strategic management level positions.

KCO Resource Management will handle all clients in North America, South America, and Europe. While Shamrock Food Recruitment will service clients in Asia, Africa, and Australiasia. This worldwide coverage will allow Dairy Processing Companies true global outreach to the top pool of candidates worldwide.
